CATHAY PACIFIC/HSBC HONG KONG SEVENS 2019

OFFICIAL TRAVEL PACKAGES & HOSPITALITY

5-7 April 2019, Hong Kong Stadium

v3.5

Introduction

At Events Travel, we are proud to be celebrating 25 years of helping fans travel to the world's biggest events. In 2019, it will be our 25th Hong Kong Sevens and the 23rd as an Official Travel Agent; having helped create the Travel Program back in 1997.

The Hong Kong Sevens is one of our favourite events and the largest Rugby Sevens event on the planet. The rugby is fast, the fans are passionate, the setting is unbelievable and it all culminates in one of the funnest weekends in sport. Hong Kong, Asia's World City, is vibrant and eclectic. It's a city where you can be exploring nature one minute, be in the world's finance and commerce epicenters the next minute and shortly after that, be looking down on the world from a stunning rooftop bar. It's a world apart from anywhere else and one of the many reasons we return zealously each year.

We hope you will join us and the Events Travel team at the 2019 Hong Kong Sevens as we celebrate our 25 year anniversary. It's time for you to see what the fuss is all about.

See you at the Sevens!

Hong Kong Information

About

Hong Kong is a modern metropolis built on the framework of an ancient city. At the intersection of cultures, it's vibrant and bustling; a city where fortunes are made, lost and enjoyed. Visitors to Hong Kong will be surprised by the density of buildings and apartments jammed between deep harbors and dark green mountains. On those mountains, hikers enjoy dense rain-forest vegetation with amazing bird-life and stunning vistas across the cityscapes and sea-side towns. Hong Kong Island is surrounded by Victoria Harbor and the South China Sea; dotted with islands and ships.

In the city, step through secret doorways to cool hang-outs, tasteful bars and trendy eateries. The cheapest Michelin Star restaurant in the world can be found in North Point specialising in Dim Sum, or visit the Mandarin Oriental, offering three Michelin Star restaurants, the most of any hotel in the world. Night owls will be in their element with many bars, nightclubs and rooftop terraces available across the city that open all night. For Sevens fans, the top nightlife spots can be found in Wan Chai and Lan Kwai Fong where bars spill onto the street, amplified when Rugby Sevens fans come to town creating a unique festival-like atmosphere across the island.

To explore more of the city, take the Star Ferry across to Kowloon, where the shopping never stops and explore museums and markets that specialise in flowers, clothes and all things bizarre. Everywhere you turn in Hong Kong you will be surprised by what comes next.
